

Are you looking for:

- **A regular social club**
- **A way to meet new friends**
- **Fun entertainment**

**Then Chaucer Speakers club is for you!**

We are a friendly club that meets fortnightly on Monday evenings in Canterbury. The main purpose of the club is to help people improve their public speaking skills however you don't have to speak – you can learn just as much by listening to others!

Our meetings are always fun, entertaining and relaxing. There is a bar on site and in addition to our regular meetings we also hold other social events. Our members are a mixture of ages and gender.

**Interested?** Call Julie on 01843 834 337 or go to our website for more details
